It's 6pm and the Yaeger family is famished. Mom has been firing on all cylinders since 7am, getting the kids off to school, then juggling phones, email, paperwork and meetings. Dad is on his way home, battling traffic after another taxing day at the office. And the kids, both under the age of 10, are antsy for parental attention. As usual, no one has time or energy to cook. So what's this time-crunched family to do?

Mom calls the Country Club and places a **to-go order** that includes entrees, dinner salads, rolls, kid's meals and even dessert, which her husband will pick up on the way home from work. Thanks to the Club, a family meal will be on the table with in the hour!

Does this sound familiar? When it just doesn't work to dine in, call ahead and we will make your day easier and you will be helping your club!

Speaking of food, sign up now for the **WGA Ladies Stagette and Valentine's Day Dinner** (minimum of 12 couples needed).

See you at the Club!

Roger Freerksen, General Manager
