Hosted by Andrew Huseth,  
**Johnson Bros. Winery Representative**

Adverse weather continued to plague the Club this last month. The heavy rains caused significant damage to the areas around the creek, and the drain out of the retention area at the bottom of Number 2 is clogged. Garrett is working hard at trying to get things back in shape. The Pro Shop will continue to post any restrictions on cart use and we ask that you check for any restrictions before beginning play. With your cooperation, we should be able to get most repairs to the course started or completed this fall, with minimal disruption to play. The weather continues to affect our financial results as well, as can be seen in the following summary:

<u>Year</u>	<u>Actual</u>	<u>Budget</u>	<u>Last</u>
Net revenues	\$497,608	\$589,575	\$623,145
Expenses	\$533,994	\$586,022	\$621,580
Net operating income (loss)	\$ (36,386)	\$ 3,553	\$ 1,565

Roger and his staff have done a good job of holding down expenses, and insurance has covered most of the damages to the course, but you can help by continuing to come out and use your Club. Kris continues to fix made-to-order breakfasts on Saturday mornings and there are daily specials in the Grille each week-day, and as usual, weekly specials are available upstairs in the restaurant. Roger has some special events planned for this Fall, so watch for future announcements. With your support, we can get through this year and hope that the weather treats us better this Fall and next year.

Sincerely,

**Paul Strayer III**  
**President**

### Hot Off the Grille

We have delicious [daily lunch specials 11am – 2pm](#)  
[Monday through Friday.](#)
